

THE APHRODITE EVENT VENUE - BRIGHT & BEAUTIFUL

The inspired renewal of the lobby also created a unique venue, infused with natural light that is able to serve up to 500 guests for a private event. The Aphrodite Event Venue space features an industrial chic interior with large, magnificent columns and can either be used as one open space or divided into 5 smaller spaces. The Aphrodite Event Venue looks out over a bustling Athenian avenue and yet is completely soundproof and tranquil. This event space is ideal for a variety of occasions and events as it provides an uninterrupted flow of offerings including breakfast, conference, breaks, lunch, cocktails, etc.
