

#### ARTBISTROT – FOR FOOD & SNACKS

Set against a modern backdrop and almost entirely encircling the lobby, Artbistrot serves delicious meals and snacks from 12 noon to 12 midnight. Offering a variety of Mediterranean and international flavors, its cozy and warm atmosphere is ideal for a formal business meeting or a casual get-together for lunch or dinner. And of course, Artbistrot is not without its own artistic element; the Birth of Venus - an impressive sculpture by Marina Karella - can be seen from every angle, perfectly complementing the inspiring setting.
