

ARTLOUNGE – AN ALL DAY LOUNGE

Artlounge invites guests daily from 9 am to 12 midnight. An impressive bar with tall stools creates a very stylish setting, while sitting on the opposite side of the bar is another original work of art: Micado by Costas Tsoclis.

Athens' most cosmopolitan meeting place offers a careful selection of alcoholic beverages that cater to every palate. The large sofas and comfortable armchairs create a cozy atmosphere, where guests can relax and enjoy a warm, aromatic cup of coffee. Artlounge also offers an organized outdoor patio for those who'd like to enjoy their food and drink selection undisturbed.
